Dear Parishioner,

The annual Parish Assembly of our Church will be held on Sunday, January 30, 1977. As we all know, this will be one of the most important meetings your Church has ever had. The attached agenda provides the necessary information on schedules for voting and the meeting. A sample ballot has also been included for your review prior to actual voting.

In addition to the standard content of the annual meeting, you will note that the Building Committee will be presenting their report. It is important that all of us are present for these discussions, because they will center on our decisions to proceed with the building of a new church, how it will be financed, what is expected from the membership.

As noted above, this is probably the most important meeting this Church will ever have. Plan to be there.

A luncheon will be served by the Women's Guild following Church Services.
