We try to give thanks to all donors through the LOOYS and with notes as we receive them. My apologies for any omissions.

In conclusion, I thank everyone in the parish for his input into our Sunday School, especially our Women's Guild for supplies and anything of great need. We hope to continue to have new teacher talents volunteering to make our Sunday School better & better each year. As I have said in the past, I feel that our children are the most vital link to the future of our Armenian Christian heritage. The past 100 years in America have shown how we have carried on, let us make the next century as honorable as our forefathers. With God's graces and guidance, I believe we shall be successful!

Respectfully submitted,

Roxie S. Maljanian
