AltarServer Organization

Mission Statement

Insure that the Armenian Apostolic Church of the Holy Resurrection plans and organizes to develop Altar Servers (Morangeers, Tbirs and Sargavaks) to serve its Armenian Community, under the leadership and direction of the clergy in charge of the Parish.

Activities

Training at the proper levels within the church under clergy in charge of the Parish. Interact and work with other churches, join in seminars, seminary training, and other activities associated with Altar Servers' development. Maintain the position of an active church organization through participation in liturgical activities.

Finances

Maintain an AltarServer fund which will be generated and maintained through donations and AltarServer fund raising activities.

Use of Funds

Educational, other developmental, motivational and maintenance activities: Seminars, Altar Server meetings and reasonable expenses associated with meeting the mission statement and activities requirements associated with AltarServer development, as possible, under direction of the Clergy.

Fund Accountability

The group treasurer will maintain a journal of monthly income and expenses. The parish council treasurer will, at year end, audit the financial records. The results will be reported at the annual Parish Assembly along with those of the other church organizations.
