

ARMENIAN CHURCH OF THE HOLY RESURRECTION  
CEMETARY REPORT  
1997

Since the 1996 report there have been no major changes in the Cemetary Operation.

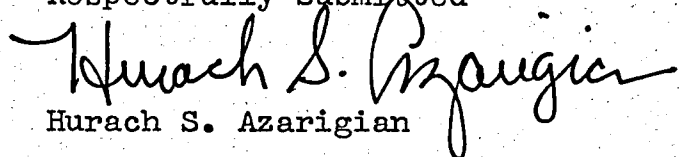

At present there are 106 available plots.

We are still in the process of trying to buy back 5 plots.

Hopefully this year we will have new maps, modernize our records and have an assistant who will eventually take over this work.

We will make an effort to have all the work updated by the end of 1998.

Respectfully Submitted
