

HYE-STEPPERS

ANNUAL REPORT

1988

The Hye-Steppers had 5 meetings in 1988 with George Guendjoian as Chairman.

We were fortunate in having Sonia Tashjian as our dance teacher. She again reviewed the many dance steps that has been taught to us and a few new ones.

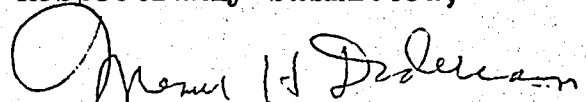

Her lessons have resulted in our attracting non-members at various social functions to join us.

On many occasions we were advised that the Hye-Steppers are the recognized dance group of the St. James Church.

February 26, 1988 was the highlight of the year. We were invited to dance on Ethnic night at Manhattanville College. It was attended by hundreds of spectators who gave us a thunderous ovation.

Our strength is in the influx of new members who are always welcome.
