

ANNUAL REPORT OF ST. JAMES ARMENIAN CHURCH MENS' CLUB

January 15, 1984

Due to a lack of interest, support, and participation, the Mens Club for the past year has been non-existent and inactive except for our annual picnic.

The nucleus of 8-10 charter members have always volunteered their time and effort for whatever functions, manpower was needed. Even though we are no longer an active organized body I'm sure the same members can still be called upon for their support.

There is a sum of \$500.00 plus in our bank balance which the Mens Club would like to terminate and donate to the Church.

I hopefully pray that there will be a renewed interest in the Mens Club in the near future. Meanwhile, I will keep the by-laws and charter for anyone who would be willing to reorganize and lead this important arm of our Church Family.

This report prepared by Parish Councilman and former Chairman of the Mens Club.

Respectfully submitted

ALBERT T. DARIEN
