

HYE-STEPPERS

ANNUAL REPORT

1986

The Hye Steppers met on 10 occasions during 1986, under the Chairmanship of George Guendjolan. The intention of this group was to brush up on Armenian dancing and to learn new dance steps. We were fortunate in obtaining the services of Sonia Tashjian, who has been highly instrumental in the success of our group.

We had an extremely successful Keff Nite on 4/12/86, which was held at the Greek Church in Rye. Johnny Vartan and his six piece band played both Armenian and American music. This dance netted us a profit of \$2,922.67. We donated \$2,000 to the parish.

In September it was decided to start a beginners class, provided enough people were interested. Twelve people responded.

A Keff Nite for members will be held on 1/30/87. The annual dance, which was planned for the Spring of '87 has now been postponed to the Fall.

This organization has been very popular and has grown into a social organization which has attracted both the younger and older generations.

Respectfully submitted,

Menas H. Daderian
