

HYE-STEPPERS

ANNUAL REPORT

1989

The Hye-Steppers had 6 meetings in 1989 under the very capable chairmanship of George Guendjoian.

It was the unanimous opinion to have a pot-luck dinner before each meeting.

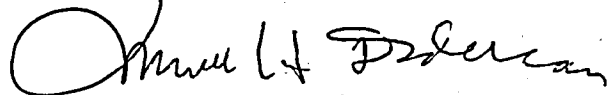

We have continued with the dance steps, which we have learned over the years and reviewed them along with new ones.

It was decided to continue our group as a social one with the accent on dancing.

The Treasurer's report indicated that we had \$196. at the end of the year.

Again, we invite and welcome new members to join us.

Respectfully Submitted,

Menas H. Daderian
