HYE STEPPERS
ANNUAL REPORT
1991

The Hye Steppers originated in our Parish in September 1985, and since then has become a successful group of St. James Church. Beside promoting an aspect of our culture, it promotes good fellowship. We consist of approximately 20 to 26 members of all ages, with an attendance of 22 members at each meeting. We very often have pot luck dinner meetings, thus giving us more time to enjoy one another's company.

Since the unfortunate passing of Sonia Tashjian, who taught us many dance steps, we have had 3 guest instructors.

On April 28, 1991, we gave a dinner dance, netting us a profit of \$541.00 of which \$500.00 was donated to St. James Church. On November 16, 1991, we had another dinner dance giving us a profit of \$883.00, all of which was donated to the Armenia Emergency Fund.

In conclusion, I would like to say that the Hye Steppers Group is an asset to St. James Church both Socially and financially. We will always welcome new people to join us.
