

## ARMENIAN CHURCHES SPORTS ASSOCIATION

Our St. Thomas Basketball team continues membership in the Armenian Churches Sports Association. We are represented this season by Jack Tatarian and Ara Martin.

This season our team is represented by six newcomers who are in the 14-15 year old class. This is an excellent sign because with Harry Chakmakian and Marty Tashjian handling the coaching chores, these youngsters will be playing together for at least 3 years and we expect championship teams.

There is a basketball game every Sunday, and we would appreciate your attendance as these boys would play harder and better if they knew they had your support. Our year is climaxed with championship playoffs and an annual All-Star game and dance at the end of the season.

We would like 11 to 13 year olds to come also to our Wednesday practices at the Englewood Cliffs gym and work out so that when they are 14 and roster age, they will have a much better chance to make the team.

The associations Annual track meet will again be held. Details will follow. Watch the Beacon.

The purpose of the association is to bring the Armenian youth together and create better relations among all the Armenian Churches of this Metropolitan area. We urgently bring to your attention the need for more parental participation and involvement in this very worthy cause. Thank you.
