The Men's Club of St. Thomas is happy to report we were able to donate \$11,000 to St. Thomas in 1974 as compared to \$10,000 in 1973. Also, the fact that we have not had too many members at our regular meetings, it has been most gratifying to see our men come out when really needed. We trust that the new officers will continue in the same vein, and try to improve our membership goals.
