

SUNDAY SCHOOL REPORT  
September 1974 - June 1975

The Sunday School enjoyed a very rewarding year. The staff, aided by the parents, provided a varied and productive program for the children.

In October we held our "Pot Luck" supper. This has become an annual affair and it is obvious from the large turnout that everyone enjoys this get-together.

On December 22nd we held our Christmas party for the students and on January 4th there was a Christmas Communion and breakfast.

In March we had our annual Palm Sunday dinner. The turnout was excellent. After the dinner the children performed for the parents and guests. On March 29th there was Easter Communion followed by a breakfast and an Easter egg hunt.

Closing ceremonies took place on June 8th and the attendance awards were given to those students with four or less absences.

We thank everyone who helped us this year. There are many who give of themselves. They teach, they advise, they work, and we thank them all.

The total registration is 131 students. Average weekly attendance is 80%.
