

ARMENIAN CHURCH OF THE HOLY ASCENSION

REPORT OF THE AUDITING COMMITTEE

Jan 27, 1985

The Auditing Committee met on January 20th and January 27th to review the books with the Treasurer. We found all books and accounts to be in order.

It is recommended, however, that, in the interest of accuracy, all income should be listed in specific accounts and a lesser use be made of the miscellaneous account. It is also suggested that totals be listed at the bottom of all ledger pages.
