The Rev. Fr. Arsen Barsamian
St. James Armenian Church
834 Pepper Avenue
Richmond, VA 23226

Dear Father Arsen:

This is to advise you that the Primate and the Diocesan Council approved the expansion of your kitchen as detailed in your letter of January 15, and as confirmed by your parishioners at a special membership meeting.

It is understood that of the total expenses of about \$150,000, the \$100,000 will be covered from available church funds, and the balance will be raised through donations and special fund raising activities.

Sincerely,

Michael M. Kermian
Director
