MAJOR FUNCTIONS OF THE YEAR

We had a Halloween party, that was very successful. An Easter Egg Hunt, We did the Nativity pageant on Jan 5 we rewarded the children at the end of the Spring session by taking them to the pop indoor park for the day

Sunday School and Armenian School made a quilt for Marjorie Kuni - Rose - I cleaned and tried to make the classroom safe - John Baronian for painting

OTHER REMARKS: (reverse side is available for additional space)

Every one is under 35
We have eight Teachers and myself as Superintendent and also a Religious Educational Consultant. We have had 4 trainings sessions from the Missions and Nina Dalton King Dalton attended
The Curriculum is wonderful but
I want to thank Isabel Vranian for her contribution to support Sunday School

We need more children to get them use to coming for religious training and to church

We have a schedule so those who felt their children were not getting to church enough would be satisfied.

We have Sunday School every 1st 2nd 4th Sunday of the month. Every 3rd and 5th Sunday is Family worship Sunday.

Our Teachers are all 35 yrs and younger excluding myself. I look to have one of the teachers become Superintendent

for the Fall year. If there is any thing we can do to improve our school we are open to suggestions.
