Once upon a time in a little village on the shores of Lake Michigan the sun stopped shining, the moon ceased to smile down at night and the stars didn't share their blanket of protection. The hearts of all the people were deeply saddened.

No longer could they share a greeting or a smile, hear the news of others, neither could they receive the Holy Sacraments. For on that day and night the great wooden doors fell locked and forbidden, to even the few out of the hundred, that supported and worked.

A tiny voice crept into each ones heart and whispered a message, the voice whispered that all one hundred was needed to receive the Communion, all one hundred had the privilege to speak their views on running the Holy Ediface, to benefit all one hundred, not just one. The voice told them how meetings came and went and attendance grew smaller and smaller. Dinners and activities came and went with the handful of workers growing smaller.

The voice whispered a last chance. In great excitement the whole village rejoiced and began a new beginning and started to work and participate.

This might seem like a fairy tale to you but it is the truth in part. A meeting was called on January 27th. Only a handful came. We do have another chance. We need all one hundred on FEBRUARY 10, 1980.

Our elders migrated to this country for another chance. Can we afford to let this church cease to be?

Not only do we need people to work on and with the Parish Council, but we also need people to work and participate in all church functions.

If most of us would work just two or three days each YEAR, it would bring us all closer and ease the burden of those that have to work months.

Lets all attend our Parish Assembly meeting Sunday, February 10, 1980 at 2:00 P.M.SHARP !

IMMEDIATELY FOLLOWING THE MEETING AT \$2.50 - COMPLETE  
SHISH-KA-BAB DINNER WILL BE SERVED. (APPROXIMATELY 4:00 P.M.)
