Mr. Michael M. Kermian, Director  
Diocese of the Armenian Church of America  
630 Second Avenue  
New York, New York 10016

Dear Mr. Kermian:

In answer to your letter of March 19, 1984 we respectfully submit the following data, and hope that with this His Eminence Archbishop Torkom Manoogian will issue his approval.

- a) Inasmuch as we did not have a quorum at our Annual Parish Assembly a motion was made by Charley Kademian that the meeting continue with those members present.
- b) The Nominating Committee notified nominees by telephone.
- c) Copy of invitation to Parish Assembly meeting is attached.
- d) There was no double slate for Assembly Offices because both members accepted the responsibility upon contact.
- e) We are enclosing a sample ballot.
- f) We assumed we included pages 12 and 13 because we have our copies however we are resubmitting pages 12 and 13. Pages 15 and 18 were not sent because they contained no information. We are mailing those copies herewith.

Mr. Kermian, we are also including our check for \$160.00 but we were only recently advised of this extra assessment.

We sincerely hope that all these papers are in order now, and we will receive approval soon.

Respectfully,

Esahag Haidarian  
Parish Council Chairman

Reverend Zenob Nalbandian, Pastor
