Fr. Haigayoun Nazarian
Acting Vicar General.

Dear Fr. Nazarian

Confirming our phone conversation today, we ask that
by our 1988 parish assessment as shown on the report sent to us
along with your OCT 12, 1988 letter be corrected.

Our annual report filed in Feb 1988 shows the correct membership
data as 68 members for 1987, however on the next page under
1988 parish assessment data we incorrectly showed 82 members.
The 82 membership was in 1986.

Our 1987 data is 68 members and is currently only 62
members.

the assessment of \$4164.26 should be \$3617.81

Our assessment for 82 members is shown @ \$3151.59
" " " 68 " should be 2613.14
reduction 546.45

Correct assessment 4164.26
less 546.45

revised assessment \$3617.81

We paid \$1000 - July 16, 1988 our balance due should be 2617.81
Please send correct billing so we can pay the balance due.

over

as we also spoke, we feel the need of a parish priest to be
extremely urgent.

We suggest^{Rev} Fr. Shmork Kasparian of Holy Shughagat
Belleville Ill be assigned to visit our parish at least once a month,
twice if possible. He is willing to do so if directed by the primate.
If other ideas and suggestions can be made, we certainly
are agreeable.

Very truly yours.
