#### Parish Council Chairman's Report by Harry Cherkinian

The past year has been a year of trial for our Parish. We have had to rely upon our own resourcefulness and initiative to make our organizations and Church prosper and progress. I'm certain all of you feel the loss of a full-time pastor. It hasn't been easy and this coming year may be equally difficult. We have no promise from the Diocese for a new pastor in the near future.

Yet, this is no time to feel sorry for ourselves. As a parish, we have a great deal of pride in ourselves and our ability to keep things going under adverse conditions. The past year is ample proof of what we can do. Listed below are some of the more important areas of concern to our Parish:

- 1. MEMBERSHIP From the standpoint of membership, we were able to increase our paid membership from 186 to 221. There is still much room for improvement. We realize and also recommend that the Parish Council establish a permanent Membership Committee. It is very difficult under present conditions for your Parish Council to do an adequate job in this area.
- 2. ORGANIZATIONS Our Church organizations for the most part are functioning well and are progressing under very capable leadership. There is some concern in our minds, however, whether our organizations can continue to progress without benefit of permanent spiritual leadership. While our older organizations are well established and self-sufficient, we seriously doubt if our youth groups can flourish and grow under present conditions. That they continue to function and stay together is a credit to our young people and their adult advisors.
- 3. COMMUNITY RELATIONS We're sorry to report the lack of a pastor is hurting us in the community relations area. We are not participating in local activities as we did in past years. This is regretable because both our Church and our image in the community had increased considerably during Der Dajad Davidian's time.
- 4 SPIRITUAL LIFE Our spiritual life continues strong and undaunted. The monthly Badarak and sacramental services provided by the Very Rev. Vasken Tatoyan are sincerely appreciated. We also thank his Waukegan parish members for their thoughtfulness and understanding for our spiritual needs. Most of all, we must give credit to our Deacon, Charles Hardy, our Altar servers, acolytes and Choir members for their perseverence and faith. We are fortunate for people like those mentioned above, for they preserve our faith and keep the doors of our Church open.

5. LEADERSHIP NEEDS - We must still speak out to those parishioners capable of leading us to step forth and share their time and talents. Without the benefit of a permanent pastor, we need the services of all of our capable men and women. Now, more than ever, we must shed our cloaks of apathy. 1971 looms ahead as a year of many important decisions. We ask that all of you, if called upon, do your share. Give of yourself and your time.

As Parish Council Chairman, I'd like to express my personal thanks to all members of the Council for their fine cooperation and service this past year. To our out-going Council members, Perry Paragamian, Sarkis Cherkinian and Adam Barootian, our deepest gratitude for your two years of devoted service.

To all of our parishioners, sincere appreciation for your faith, confidence and trust in our guidance. We have endeavered to do our best. To our 1971 Farish Council we extend our best wishes for a successful year. May God grant to all of you the wisdom, health and the strength to keep us strong and stedfast in our faith and allegiance to our Church.

#### DEACON'S REPORT

From a check of the church records of the past year, 1970, the following facts are noted:

- 1. Attendance 180 average (Sundays with priest) 75 average (Sundays with no priest)
- 2. Beptisms 7
- 3. Funerals 9
- 4. Weddings 2

With the above records, it would seem that the work of the church is progressing well.

We would hope that during the following year, there would be more regular and better attendance each Sunday and other days when religious services are being held. Our church can progress much more with greater involvement by each individual member in the various activities of the church.

One area that needs immediate attention is that of an altar society. Those women who have the desire to serve the church in this capacity should contact the Chairman of the Parish Council. Some of the activities involved would be the sewing of vestments and altar furnishings, keeping the linens in order, and repairing or replacing worn-out altar materials. A list of additional altar items could be made available by the altar society for members who would like to purchase them as gifts for the church.

We hope that our church organizations will increase in number, strength, and activities during the following year. Let us work together with the help of God in whatever capacity we can be useful to advance the work of the church so that it will be able to be of greater spiritual service 'to us.

Respectfully,

#### Deacon Charles Hardy

Frank vision New officers to be elected January 19, 1971 for the coming year.

In 1970 the committee accepted rough plans by Architect Al J. Seitz and submitted them to four local builders for preliminary estimates, which range from \$226,000 to \$295,000. These figures do not include the kitchen or pews. The pews will cost an additional \$8,000 and there will be an additional cost for landscaping and parking lot.

In October a meeting was held with the Archbishop, which included the entire committee and the Architect at which time all problems and changes were resolved in the building plans. The Archbishop has given his approval and blessings to our project.

The Architect believes he should have the plans completed for the hall section, available for competitive bidding by the end of March. The committee has tentatively agreed to work with a figure of \$250,000 based on the parish's ability to pay off the mortgage amount.
