

BUILDING FUND REPORT (1968)

The Parish Council appointed, as one of its first duties, a new Building Fund Committee, which sponsored during its one-year term three activities:

- (a) The dance was a social success and it netted about \$300.00.
- (b) The Fund raising dinner, which was held while Washington was under curfew, resulted in unprecedented pledges totaling \$12,652.00.
- (c) The Commemorative Booklet, a copy of which is now in the archives of Holy Etchmiasin, depicted the history of our parish, and paid for itself.

The Committee acknowledges the dedicated services of Mr. Jack Andonian, who chaired the dance, Col. George Juskalian, who organized the fund raising campaign, and Mr. Vahan Kurkjian, who chaired the Commemorative Booklet Committee.

The Committee also expresses its deep pride in the men and women of this community who gave generously. The Committee invites all parisheners, who did not participate in the 1968 fund raising campaign, to come forward and once again commit themselves to their faith and heritage.
