Your Emminence,

I called today and left a message for you to call me if you got a chance.

As the weekend is approaching, I wanted to make sure I was able to confirm an appointment with you during the weekend with the Parish Council.

I am planning on picking you up at the Airport on Friday @ 3:42pm. I have been able to get a commitment from everyone (on the Parish Council) to join us for dinner @ 6:00 pm.

I will assume this works for you unless you contact me and tell me otherwise.

We all are looking forward to your arrival and expect this weekend to be as successful as it has been in the past.

If you have any questions or comments about the weekend, please do not hesitate to contact me using the above numbers.

Respectfully yours,

Steven Mangigian
