

CABLE

By the grace of God we returned to the Holy See spiritually consoled. We express our satisfaction with you, Judge Najarian and Father Paren who came to greet us in Paris in order to discuss a few church matters. We fully share your concerns and you are assured that with your Diocesan authority all the matters will lawfully be resolved in peace and harmony. We express our unreserved appreciation to Your Eminence and to the Diocesan Council.

With blessings

Catholicos Vazken
