Dear Mr. Robertson:

We confirm our recent telephone conversation with you when we discussed the unpleasant situation created by the members of the Holy Cross Armenian Church of Toronto, Canada, by their unruly behavior and actions, and the decision of the Diocesan Council to dissolve this parish as of February 21, 1982.

The enclosed copies of correspondence with the former parish of Holy Cross of Toronto, may give you an idea of the actions and events which have taken place during the past eighteen months on the part of the parish council of the Holy Cross Church and in turn by the Diocesan Assembly and the Diocesan Council.

We shall be grateful to hear your advice and suggestions regarding the course of actions the Diocese of the Armenian Church of America should follow in the future.

For any further information, please contact us.

Prayerfully,

Archbishop Torkom Manoogian
Primate
