Dear Sirs:

We are in receipt of your letter dated October 21, 1981 addressed to His Eminence Archbishop Torkom Manoogian.

We wish to advise that the Diocese of the Armenian Church of America does not require the services of an intermediary to communicate between itself and its parishes.

Enclosed please find bank check No.2207723 dated October 21, 1981 for \$1,000 (one thousand dollars), which you have sent on behalf of the Holy Cross Armenian Church of Toronto, Ontario, Canada; it should be returned to the parish.

We will further discuss with Holy Cross Armenian Church the course of action it must take at this time as a member of our Diocese.

Yours sincerely,

Frank Avakian Stoneson
Executive Director
