Dear Peter:

I received your letter dated August 30, 1984 with the enclosed Business and Marketing Plan information.

In reviewing the information sent I feel we can properly develop the basis for what the Diocese is in need of.

It would be most appreciated if you would permit me to contact you for assistance regarding this project when your schedule allows.

I look forward to communicating with you soon.

Respectfully yours,

Frank Avakian Stoneson
Director of Finance
