Stewardship 1991 - "Decade of Giving"

Dear Parishioner:

This year marks a "Decade of Giving" through the Stewardship Program for the Holy Trinity Armenian Apostolic Church. Thank you to those of you who have participated in our Stewardship Program during these years to make it the most successful within our Diocese! A warm welcome to all of you who will be new stewards for 1991.

Each year your participation has helped our Church meet its financial obligations. Each year you have helped our Church achieve its annual goal by giving of your talents, time and money.

Your contributions allow the Church to fund many projects and activities and to support and maintain the Church and its complex by:

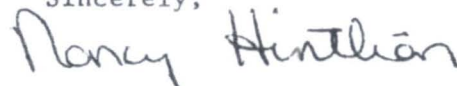

- * providing a house of worship
- * creating an environment for spiritual growth (liturgical services and sacraments)
- * providing an Armenian religious education for our children and youth (Sunday School)
- * perpetuating the Armenian language and culture (Armenian School)
- * providing youth and young adult programs
- * creating Christian fellowship
- * providing cultural programs
- * giving financial assistance

The Church needs all of us to participate in as many ways as possible in its programs and activities. This year I have made a personal commitment to increase my gift by giving of my time and talent to the Stewardship Program. Since this is my first year as Chairman, I need your help to make this our best year ever!

***** OUR GOAL FOR THIS YEAR IS TO EXCEED LAST YEAR'S GOAL BY 10% *****

Your pledge package will be mailed to you shortly. Please feel free to contact me through the Church Office if you have any questions.

Sincerely,

Nancy Hintlian
Stewardship 1991 Chairman
