

December 5, 1991

□

Dear □ :

Your annual pledge towards the Stewardship Program for 1990 was received with thanks. And as you are aware, the year is coming to an end, and we would appreciate receiving your 1991 donation.

We are pleased that many devoted Armenians have joined the Diocesan Stewardship family and are supporting the work with a single donation of \$1,500 per person. We continue to seek additional Life Stewards as we work toward our goal of 1,000 Stewards.

If you wish to become a Life Steward, your name will be recorded on the Life Steward tableau. You will also have the satisfaction of knowing that you have helped to strengthen the financial foundation of our Diocese. On Stewardship Sunday, a requiem prayer will be said for deceased Stewards by our Primate.

Thank you for your continued support and please consider membership in the Life Stewardship Program.

Sincerely,

George K. Papalian
Stewardship Coordinator

P.S. Please return the coupon in the enclosed envelope with you check made payable to: "Diocese of the Armenian Church - STEWARDSHIP". Thank you.
