Mr. Harvey Yazijian
148 Stony Brook Road
Belmont, Mass. 02178

Dear Harvey:

Perhaps Father Artin Ashjian of the Fair Lawn, New Jersey parish has already communicated with you.

He also wants some guidance and materials relating to the establishment and development of a parish stewardship program. I hope you can get some material to him as well.

The best approach might be for someone to prepare a general plan that we might mimeograph and provide to all our parishes.

Sincerely,

Jack Antreasian
Executive Director
