Mr. Haik Kavookjian,
Director
Armenian Cathedral Building Project
630 Second Avenue
New York, N.Y. 10016

Dear Mr. Kavookjian:

Regarding your recent letter concerning my pledge to the Cathedral, I enclose my entire file on the matter; Apparently there has been some confusion on this matter ; I trust the enclosed will provide adequate clarification.

Unless further discussion is necessary I shall assume that my \$500.00 donation has been applied to one of the cathedral lanterns, as confirmed by Mr. Antreassian's letter of August 14, 1971.

Sincerely,

Herbert Kashian
