Dear Mr. Kashian:

Upon receipt of your letter enclosing correspondence with Mr. Jack Antreassian, Executive Director of the Armenian Diocese, we immediately contacted him.

It appears that Mr. Antreassian has taken care of the matter in the manner you wanted it, but has omitted to notify us of the change in your pledge and the memorial unit.

We are truly sorry for the inconvenience we have caused you by sending you a reminder, but as you can see, we had no way of knowing of the new situation. Mr. Antreassian assures us that your donation of \$500.- is properly applied towards one of the Cathedral Lanterns, and we in turn confirm hereby that there is no balance on your initial pledge.

We would like to take this opportunity to express our special thanks to you for having handled this matter in a very gracious manner which is greatly appreciated.

Sincerely,

Haik Kavookjian
