Dear Mr. Barsamian:

We received today your letter of  
December 18th and your generous check  
for \$500.-

You mention that it is to "reduce the  
mortgage". This is the first time that  
we receive a voluntary outright donation  
that is given to "reduce the mortgage".  
This wonderful gesture of yours restores  
my faith in the Armenian people. If there  
are wonderfully thoughtful people like  
you that think about the heavy mortgage we  
have to pay, then WE WILL FINISH that mortgage.

Thank you ever so much and have a very  
Bright, Happy and Healthy Holiday Season  
and all year round.

Sincerely,

Haik Kavookjian
