Gentlemen:

We wish to refer to our letter dated April 30, 1971 in connection with a small balance of \$2,000.00 on your Cornerstone Godfather pledge of \$10,000.-

Despite the fact that we did not receive an answer from you, we did not want to bother you with a reminder.

However, as it is almost a year since our last letter, we are inclined to think that it never reached you or the matter slipped your mind.

We are anxious to close all old pledges and as yours is the only one left on the Cornerstone Godfathers' list, we will greatly appreciate receiving your check for the above mentioned balance which will complete your pledge and help us meet our heavy commitments.

Thank you for your kind consideration.

Sincerely,

Haik Kavookjian
