Your Eminence:

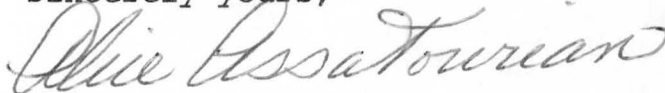

Thank you very much for your kindness and consideration in calling me to express your condolences on the passing of my husband, Haig, which I appreciated very much.

The private funeral services and attendant arrangements were carried out in accordance with Haig's wishes. Father Khajag Barsamian conducted a beautiful and moving funeral service at the chapel, a most fitting tribute to Haig. Richard Davidian, Sona's husband, presented Haig's biography and Konrad Buchter, Seta's husband, read a stirring eulogy that he had written with Seta, which brought tears to everyone's eyes.

In memory of Haig, I would like to make a contribution to St. Vartan Cathedral of \$100.00, which is enclosed herewith.

Thanking you for your thoughtfulness and interest, I am

Sincerely yours,

Alice Assatourian
