Dear Mr. and Mrs. Kazanjian:

We are deeply grateful to you for your donation of the video tape of Armenian Church Representatives welcoming Pope John Paul II in Washington, D.C.

It is truly a marvelous film and we plan to show it on several appropriate occasions as well as share it with those of our parishes that have video equipment. How kind of you to think of us and to gift the church with such an important addition to our archives.

May God bless you for such a generous gift and for your evident devotion to the Church.

Prayerfully,

Archbishop Torkom Manoogian
Primate
