Dear Mr. Avakian:

We extend our deepest gratitude to you for your gift of \$800.00 (eight hundred dollars), for our Social Service program at the Diocese.

The countless telephone calls and personal visits we receive each day from Armenians requesting assistance is poignant proof that our people still turn to their Church when in need and it is our fervent hope that we will always be ready to help anyone in our community. Yet, burdened with rising costs, our Cathedral has been less and less able to respond as promptly and as effectively as we would like.

We thank you for the vision and commitment your generous gift represents and for the love of your Church and people you so clearly carry in your heart. May God bless you for your kindness and may His Spirit grant you and your loved ones the best of days in this glorious new year.

Prayerfully,

Archbishop Torkom Manoogian
Primate
