Dear Dr. Bedoukian:

We wish to acknowledge with gratitude the lovely etched plates you were kind enough to present to His Holiness and to myself. We will treasure it, as we are sure the Catholicos will.

We will see to it that His Holiness is informed of your gift, which will be sent to him at the first opportunity.

We appreciate the generosity of spirit which prompted the gift.

Prayerfully,

ARCHBISHOP TORKOM MANOOGIAN  
Primate
