Dear Edward:

I just received your beautiful check in the amount of \$15,000.00.

It is so gratifying to have pledgors who are wonderful friends too on whom one can depend when in need. There aren't too many of them, unfortunately, but you are one of the rare.

The \$15,000 is applied to your outstanding pledge which leaves, as you state in your letter, a balance of \$75,000.00. I know that this balance will be paid in no time without any reminders and save the Project postage which is now 8 cents...

I wish to take this opportunity for your kind words, but I know that without the help of friends like you, I cannot do anything.

Alice who read your letter, agrees with me and joins me in sending you and yours our warmest regards.

Sincerely,

Haik Kavookjian
