Dear Archbishop Manoogian,

How nice you were to give me so much time!

And I greatly appreciate your willingness to put that announcement for the Zohrab Bible into BEMA. It should surely help.

Your second offer to send the announcement with a cover letter from you to each of your forty parishes is a cause for true delight. It would be wonderful not to take a loss on this book. Would you send me a copy of that letter so I may advise the office in Delmar that there might be a response to the special offer.

And I thank you for your kindness. And support!

The convention in New Orleans was similar to others in the past thought the regional Armenian Association there put on a reception for us. We were most flattered.

Very best regards!

Yours truly,

John A. C. Greppin
