Dear Mr. Kavookjian:

As a result of the lack of cash receipts to the church during the summer months, I am requesting a loan from the Trustees Account for \$2,500.00. These monies will be used for salaries and operating expenses throughout the summer months. It is anticipated that once the Bazaar is over, this loan will be repaid.

In addition, I am enclosing a bill for \$420.00 from Charles W. Proscher for the installation of a new roof on the rectory building. Since we feel this is a major repair of the building, we are requesting reimbursements from the Trustees Account.

Warmest personal regards.

Sincerely,

John Ardouny
Treasurer
