Dear Mr. Chapootian:

In response to your letter of May 3rd requesting \$2165.00 , I am enclosing a check for \$565 representing the two bills on your list.

As to the \$1600.00 for a car you bought for Der Mgririan, I would like to ask you a question. What happened to the car I bought in 1973 for Der Arshen in the amount of \$3290.00. I understand it was sold by you. Well, second question: what happened to the proceeds.

Will you please elucidate me on this matter as to for how much the first car was sold, etc.

Thank you for your immediate consideration.

Sincerely,

Haik Kavookjian
