

Monday, 1970

Aside from the financial assistance
by the Young Business Guild
noted on the enclosed copy of
our 1970 financial report, we
have made numerous donations
to the homes of our members,
with our hope, who have suffered
the loss of their dear ones.

We have stood ready to be of
assistance to our Price, Trust
Council and the Ladies Auxiliary.
And on many occasions we
have done our utmost to comply
with their wishes in order
to help make their function
a successful one.

Respectfully submitted

Alice M. George
