daughter. Since they were both a Captain for a - Price & myself
 Peter had to go back to work - but he was still there. I was
 up here most of the time. I went to the hospital to see him
 & then to the office to see him. I went to the office to see him
 hunting to get him to come back to work. I went to see him
 at home & he said he would come back to work. He said he
 was going to see him again. I went to see him again &
 then I went to see him again. I went to see him again &
 then I went to see him again.

He was still working. I went to see him again & he said he
 would come back to work. I went to see him again & he said
 he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
 he said he would come back to work. I went to see him again &
