Dear Rev. Buttero:

We have received your Parish report dated January 29, 1959, whereby you are informing us that under your presidency in the annual Parish Assembly of your church, the following were elected as members of your Parish Council for two years.

Considering that the above mentioned have been duly elected according to the rules of the Diocesan By-Laws, and are known as devoted church members, we hereby ratify their election.

May God bless the newly elected and we believe that each and every one of your Parish Council members will do his utmost for the benefit of the Armenian Holy Church and for the glory of God.

With paternal blessings & prayers,
