Your Eminence,

Referencing your letter of 20 February 1986, on 11 February 1986, we submitted letters and reports to the Diocese and believed we had completed obligations of reports associated with the Annual Parish Assembly and documenting reports to the Diocese.

On that date we submitted a letter of election results to your attention with a separate letter to Michael Kerimian containing reports requested in the 13 November 1985 letter.

Copies of the covering letters are enclosed herewith.
