CULTURAL COMMITTEE REPORT FOR THE YEAR 1992

The Cultural Committee did not sponsor any programs during this past year. The Cultural Committee was organized approximately 10 years ago and since then has sponsored approximately 30 programs. These programs were quality cultural presentations which not only brought and encouraged quality talents to the community, but also presented the fine character of the Armenian community to the greater non-Armenian populace.

In addition to the cultural contributions, the committee's activities resulted in our church obtaining a new grand piano and a substantial monetary gain for our church.

Most importantly, we hope that the Cultural Committee's activities helped set an example for continued participation and involvement by church members into other needs of our church.

In light of the years of service, the Cultural Committee has decided to dissolve at this time; however, we encourage others to keep alive the cultural profile of our church.

The committee presently has \$1,083.92 in the treasury, which will be given to the Parish Council. We recommend that these funds be designated to be used to finance future cultural programs.

In behalf of the Cultural Committee, I sincerely thank Father Michael and the Parish Council for their support and encouragement through the years, and all our parishioners and friends who supported the many Cultural Programs. We hope you enjoyed what we brought to you.

I personally thank all the members of the Cultural Committee, past and present, for their efforts. The many successful programs could not have been possible without their individual unselfish participation and contributions. We had a good team!

Respectrully submitted,
