Dear Parish Council Members:

We have received your letter of August 28 advising us, as parishioners, of the Parish Council's decision to abandon any further attempts to secure the services of the Very Reverend Father Hagagos Melkonian as a full-time priest for St. Gregory of Nazianz Armenian Church.

During the past six years our parish has been faced with many problems, most of which are still unresolved. Apparently, the services of a full-time priest is required to alleviate our deteriorating situation and help our church to grow and prosper both spiritually and financially.

We, therefore, strongly urge the Parish Council to vigorously pursue the matter of securing the immediate services of any interested, dedicated and enthusiastic full-time priest for our church. We make this request without regard to personalities but instead we point to a definite need, a need that all of us share.

Very truly yours,

Robert Bagdasarian
