Your Eminence;

On behalf of Father Diran and all members of Parish Council we wish to extend our gratitude for your generosity of offering the recent audience to our council member, Mr. Armen Asadourian.

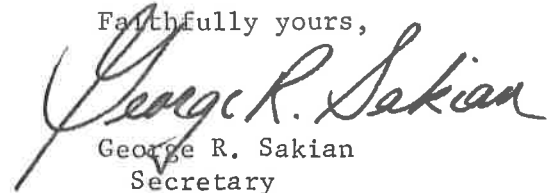

After being informed by Armen of our future position regarding a successor to our Father Diran Papazian, who plans leaving our parish in two years, we are confident you will attend to this very important matter or advise our council well in advance as to what plan should or could be exercised.

You are aware that the Cleveland community is small, but its potential can develop rapidly into a active and sizable scope.

Therefore, it is imperative that these thoughts be given very serious consideration and exercised soon.

Please keep us informed and allow our council a periodical communique as a convincing effort to you that our community is looking ahead to progress.

Faithfully yours,

George R. Sakian  
Secretary
