Dear Bishop Kebreslian:

Just a note to express my personal appreciation to you for your gracious hospitality to me during my recent visit in New York City. I appreciated so much the opportunity to meet with you and with those others of your organization who were present at our meeting on Wednesday.

Thank you, also, for your kindness in driving me to my scheduled appointment later in the day. I trust that our time together will have proved profitable to your people and want you to be assured of my interest in being of any further counsel that may be needed in the future.

May God's richest blessing rest upon you and your labors.

Yours in Christ's service,
