Dear Mr. Artreasian

In my discussion last night with The Primate, he told me that some churches in the Eastern Diocese are taking advantage of a Stewardship Program, offered by some companies on the East Coast. He indicated that there might be some material available in your office regarding this program.

I am trying to organize such a program

For St. Peter Armenian
Church in Van Nuys, Calif.
On April 13, 1971, I am
scheduled to give a
presentation to the Parish
Council on this matter.

Anything you can do to
obtain the necessary info. to
help me launch such
a program is highly appreciated.

If you don't have any
material, maybe you can
send me the name & address
of a company that provides
such information.

Your prompt reply is
appreciated.
