Dear Jack,

I've enclosed two checks. One is for the Patronage of Antambak fund and the second is my yearly stewardship to the diocese. Of course, you will credit this to Holy Trinity Church in Chatterham, Pa.

Your article in the American Church concerning church unity was most informative. However, most of us know and recognize the "disease" but as yet do not know what the correct "medicine" is and how to give the "medicine" to the patient.

Sincerely,
Harry C.
